

**Our business** is backed by  
electricity generated from  
renewable sources.

**Renewable**  
for business

We certify that  
has **100%** of its electricity supply from EDF Energy  
backed by **Renewable Energy**.

A handwritten signature in black ink that reads "Rich Hughes".

Rich Hughes  
Director of Sales and Marketing

All source certification meets GHG Protocol Scope 2 Guidance Quality Criteria. This is not a REGO certificate. REGO certificates are held by energy suppliers for Fuel Mix Disclosure. The low carbon electricity that we buy for Blue or Renewable tariffs and products is supplied into the National Grid. Customers receive that electricity through the National Grid, not directly from low-carbon generators.
